English

French

About Me

I'm a passionate Software Developer with a strong drive for continuous learning and exploring emerging technologies. With hands-on experience in Node.js, React.js, MongoDB, and Java, I thrive in fast-paced, innovative environments. My journey is fueled by curiosity, adaptability, and a commitment to personal and professional growth in the ever-evolving tech landscape.

WORK EXPERIENCE

Jan 2025 - Mar 2025

AI Curriculum Developer (Contractor) AfricaGenAI

- Designed and developed AI-related courses and workshops for youth, focused on curiosity, imagination, and problem-solving.

Dec 2023 - June 2024

Internship Full-Stack Developer Evolvis Ltd

- Built a Garage Management System using Node.js, Express.js, and MongoDB in the backend and React.js in the frontend.

PROJECTS

- MediConnect – All-in-one doctor search, appointment booking, and health management platform. <https://mediconnect-three.vercel.app/>
